

## CGGS SENIOR SCHOOL PRAYER CALENDAR FOR TERM 3, 2020

### Why pray?

There are many and varied reasons to pray. I believe that *praying for others* is a way of **cares** for them, especially when we are apart. It is also a way of **increasing the spirit of love in our community**: connecting our love with God's love for all people.

### How can the calendar be used?

- If your habit is to pray daily or weekly, you may like to look up the person for the day (or the people for the week), and include them in your prayers.
- It may be that from time to time, you want to look up the calendar and offer a prayer on that day.

### What words can I use?

- A simple prayer could be:

*"Holy God, in the quiet of this moment, I pause to be still, to notice my breath,*

*[take a moment to be aware of your breathing]  
and to seek your way of truth and love.*

*Today I pray for . . .*

*[say the names of the classes and teachers on the calendar for the day/week]*

*May your loving will be done on earth, as in heaven. Amen"*

\*the picture is by Sarah in JS. It illustrates a line from our school hymn. "We can, with grateful hearts and unafraid, work on to make the present strong and sweet."
